

Knit & Natter – This Month's Meeting

This month's Knit & Natter was a lively and creative gathering, with the usual mix of yarn, chatter, and plenty of tea.

Jean proudly showed the finished baby blanket she'd been working on, with cheerful socks. Mary brought along a new pair of colorful granny square throw, and Barbara's lace shawl was taking shape beautifully.

The nattering was just as busy as the needles, with conversations ranging from holiday plans to recipe swaps. A couple of new patterns made the rounds.

As always, some stitches were made, a few were undone, and everyone went home with smiles – and for next gathering.
